

Seed's Journey: Blooming into a Forest

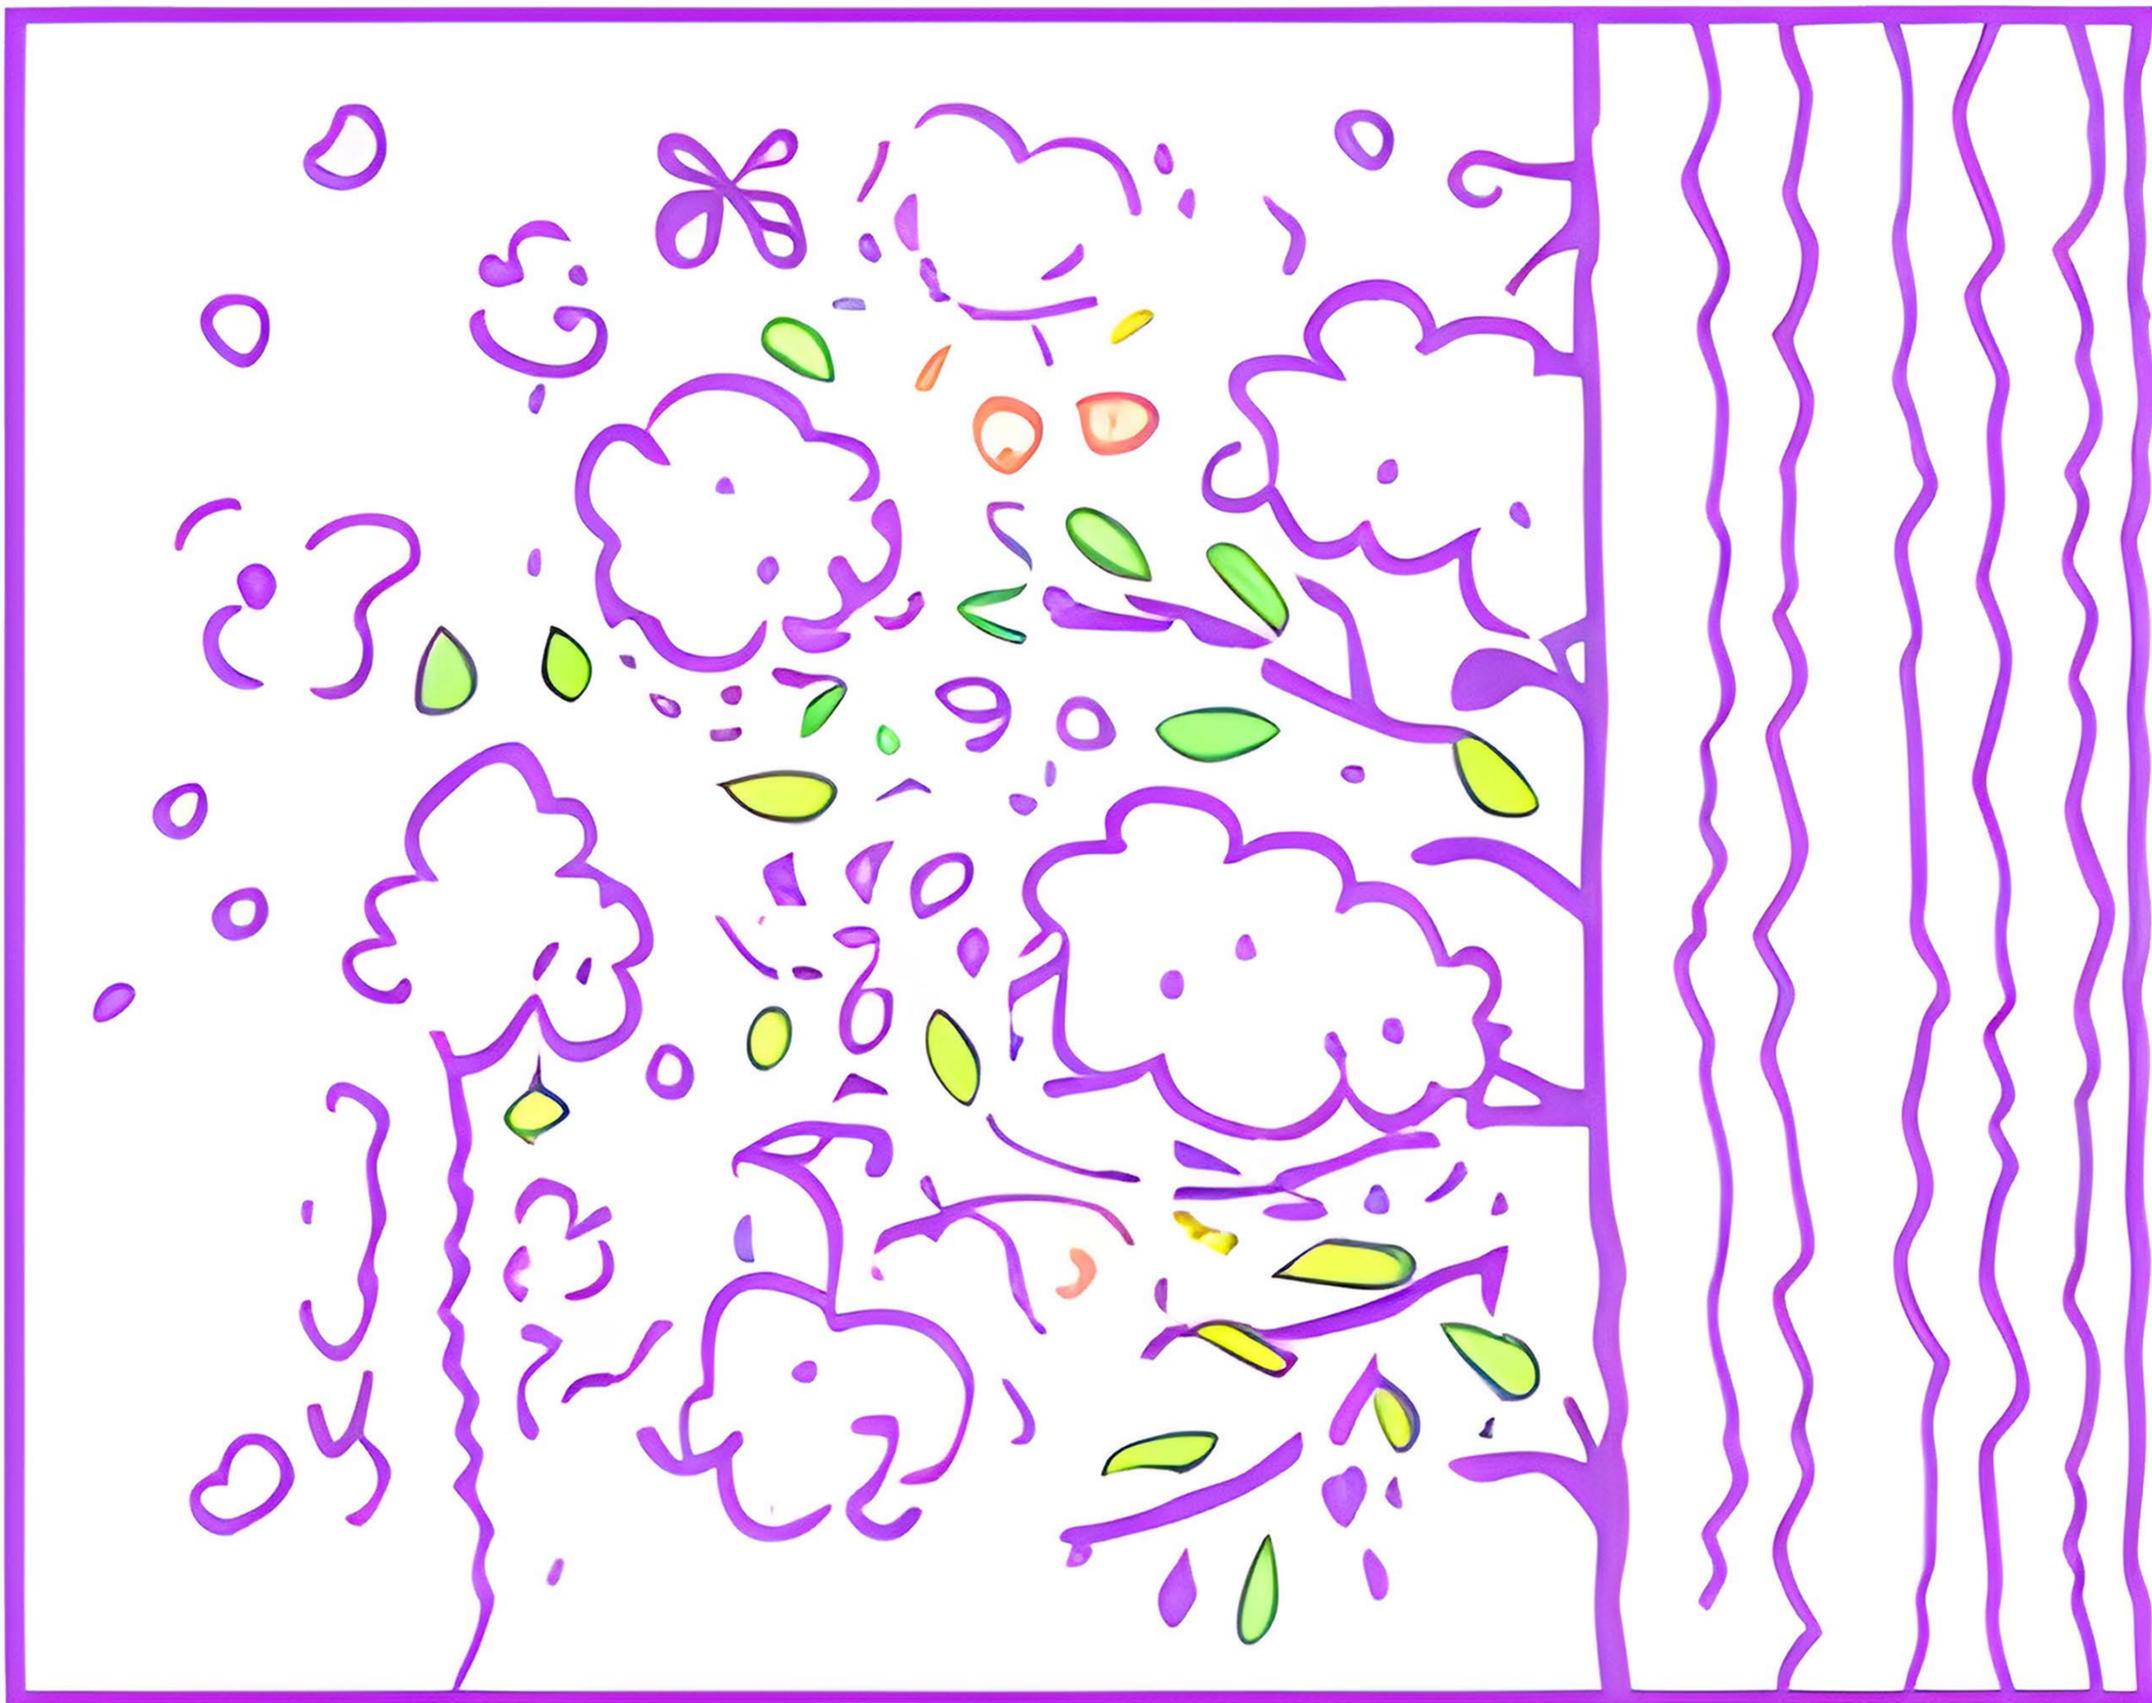

I may be a tiny seed,
but dreams take flight like big clouds.

I may be just sprouting in the world.
I want to bloom in big, big woods.

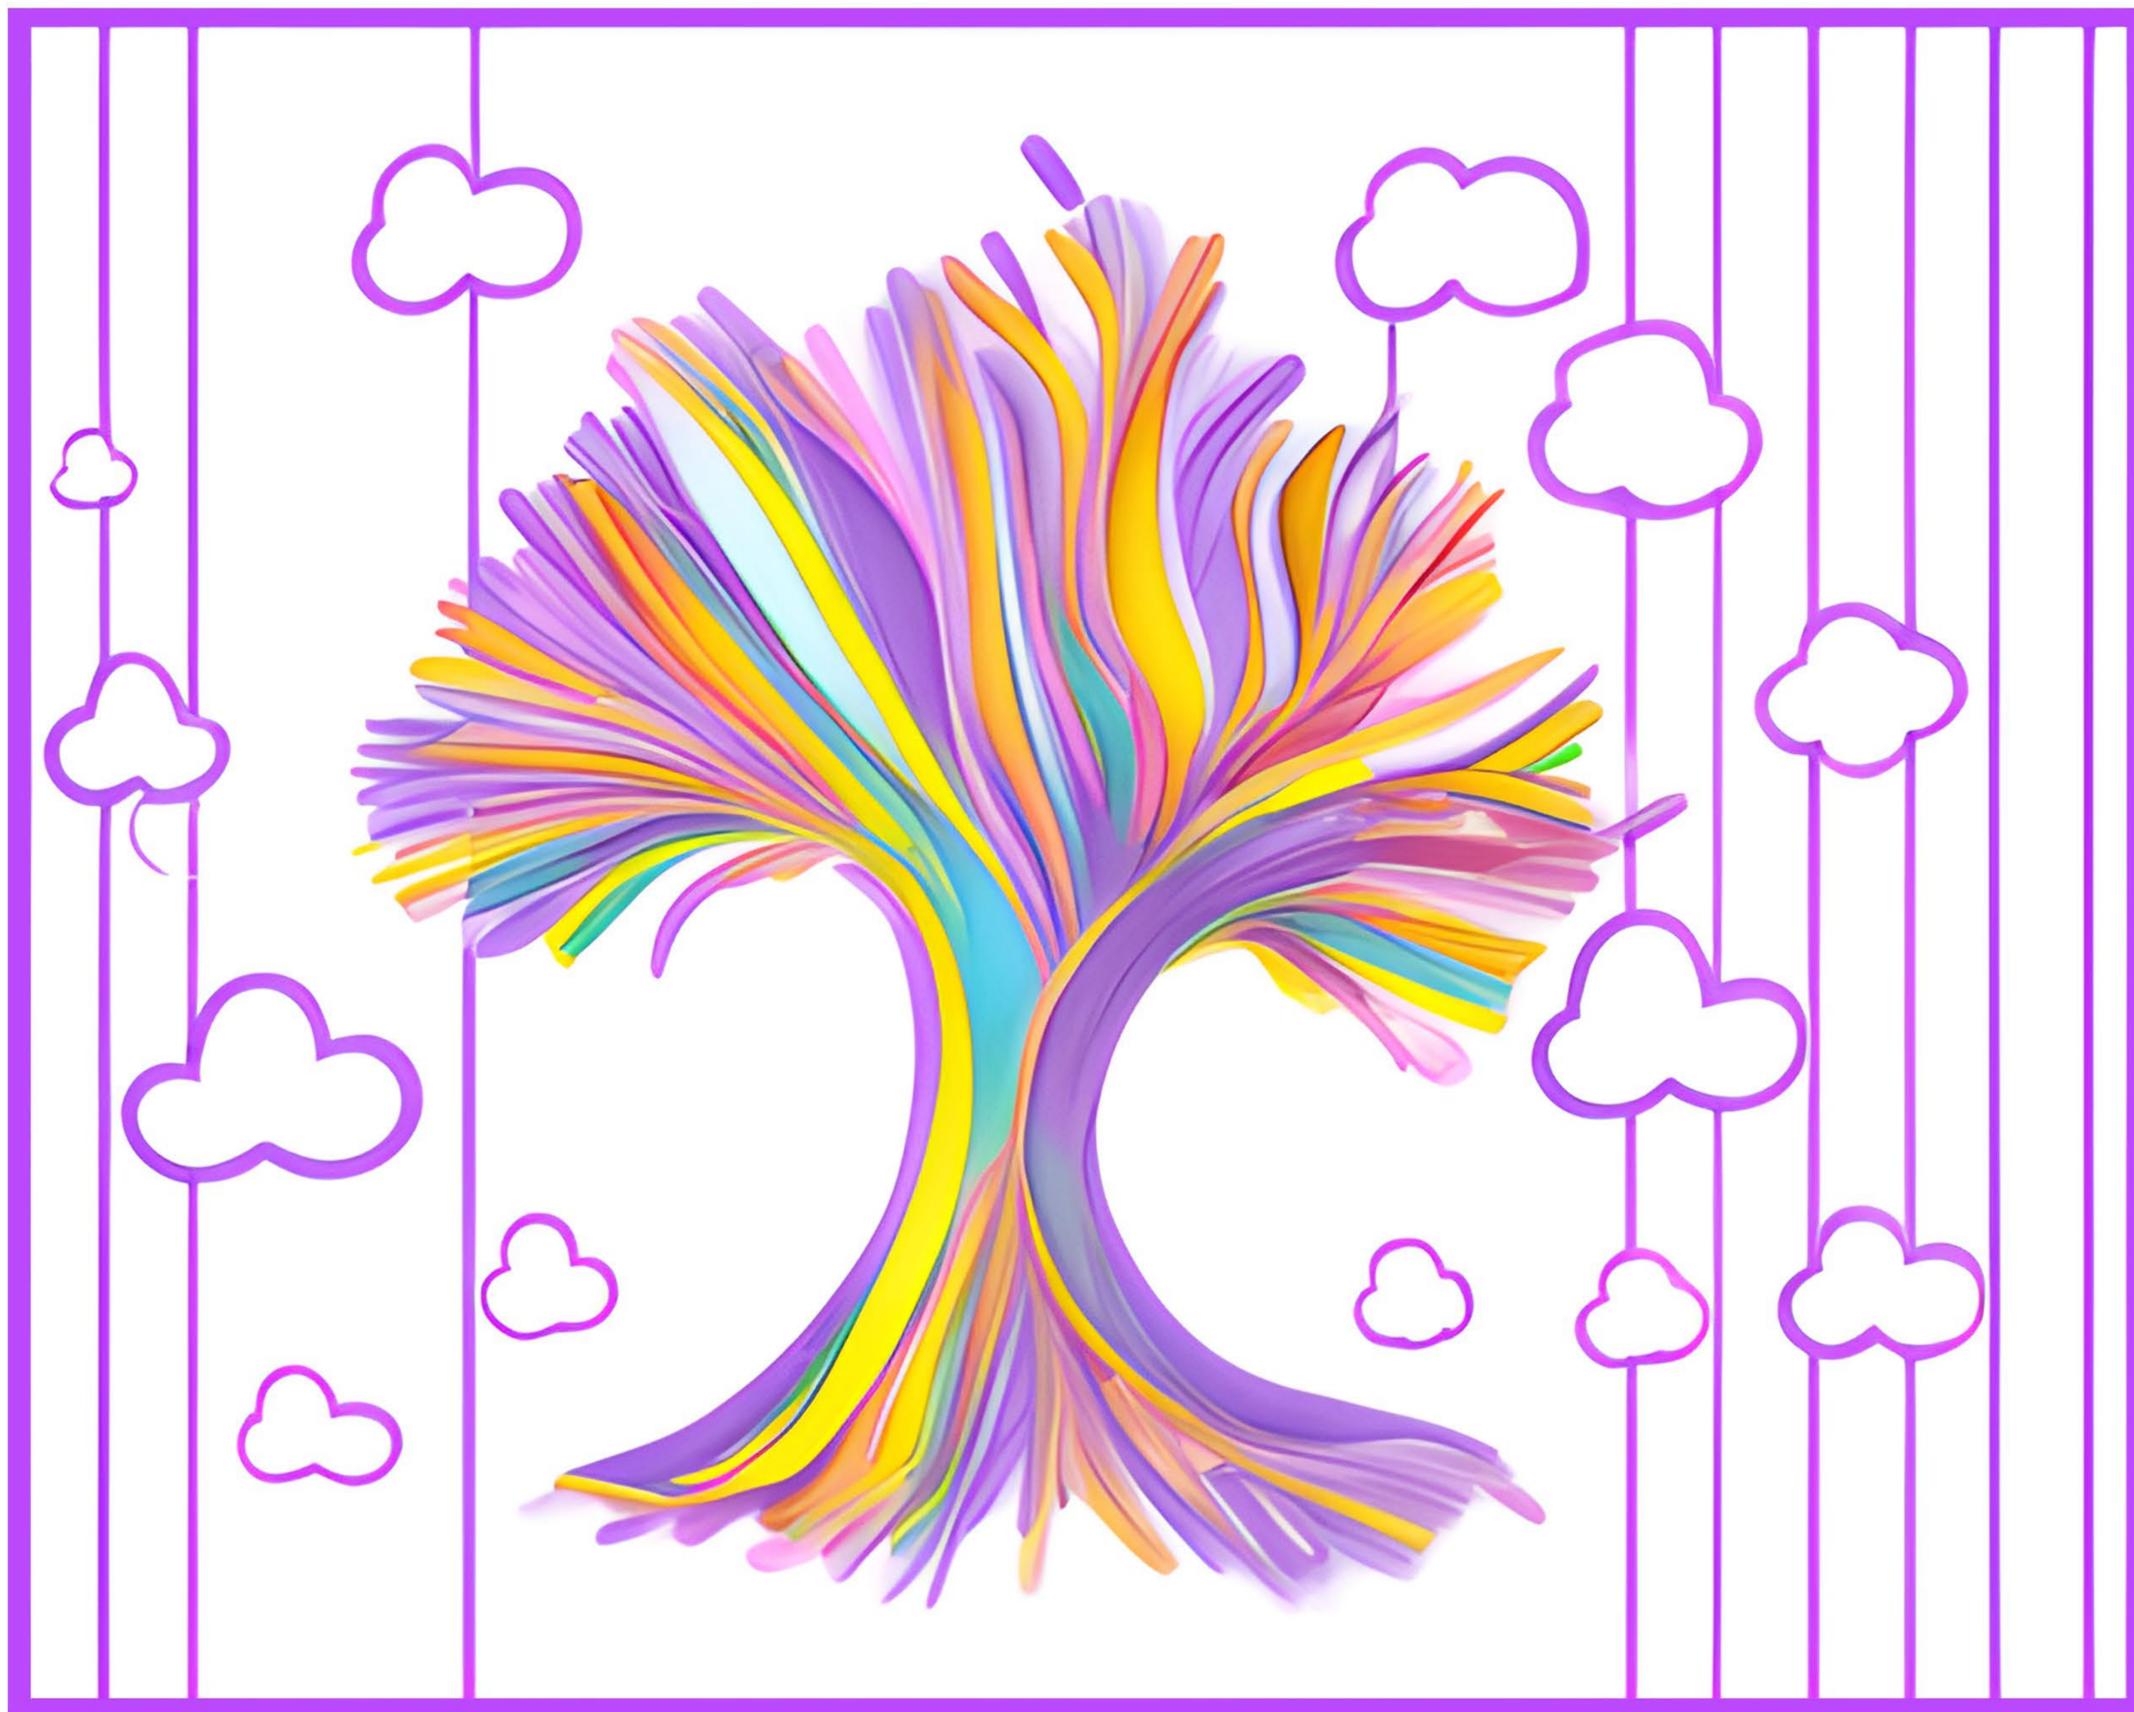

With air, wind, earth, and leaves, nature is so warm.

In a dance, I'm found swaying here or there,
becoming part of the woods.

A vibrant sight, green here, yellow over there.
What color will my forest be, wait and see.

The forest shines,
and so do I.
