Jesus Healed Many People

Mark [1:29-45](#); [2:1-12](#)

Jesus loves people and wants to help them. One way he helped people was to heal them. Jesus healed many sick people.

One day, a woman was sick with a fever. She was so sick she could not leave her bed. Jesus went to her. He took her hand and helped her to get up. The fever stopped. Jesus made the woman well again.

That night, many sick people came to Jesus. These people had many kinds of diseases. Jesus healed them.

One day, a man with a bad disease came to Jesus. He kneeled in front of Jesus.

He said, "Lord, I know You can heal me." Jesus was sorry for the man, so Jesus healed him. The bad disease was gone.

Later, Jesus was in another city. He was preaching in a house. In the house were many people. Four men brought a man who could not walk. They could not get into the house, so they went on the roof of the house. They made a hole in the roof.

The sick man was lying on a mat. They let him down through the roof into the house to the place where Jesus was.

Jesus was happy that these men believed in him. He said to the sick man, "I forgive your sins."

Some religious leaders were there. They thought, “Only God can forgive sins.”

Jesus knew what they were thinking, so he said to them, “Why do you think this? I healed this man so you will know I can forgive sins.”

Then Jesus said to the sick man,
“Get up. Pick up your mat and
walk.” The man stood up and
walked out of the house. All the
people were surprised. They
thanked God.

Answer the questions

1. How did Jesus help people?
2. Why did the men make a hole in the roof?
3. What did Jesus do for the man who could not walk?
4. How has Jesus helped you or your friends?

Listen and fill in the blanks.
