# God's Covenant with

**David.** [1 Samuel 10](#); [15-19](#); [24](#);  
[31](#); [2 Samuel 5](#); [7](#); [11-12](#)

Saul was the first king of Israel. He was tall and handsome, just as the people wanted. Saul was a good king for the first few years that he ruled over Israel. But then he became a very bad man who did not obey God, so God chose a young Israelite named David and prepared him to become king after Saul. David was a shepherd from the town of Bethlehem. He loved playing music, singing, and writing songs.

David was a humble and righteous man who trusted and obeyed God. He was also brave. At different times, David killed both a lion and a bear that attacked his father's sheep while David was watching them.

When David was still a young man, he fought against a giant named Goliath. Goliath was a very good soldier. He was very strong and about three meters tall! But God helped David to kill him and save Israel.

After that, David won many victories over Israel's enemies. David became a great soldier, and he led Israel's army in many battles. The people praised him very much. The people loved David so much that King Saul became jealous of him.

Saul wanted to kill him, so David ran away into the wilderness to hide from Saul and his soldiers. One day when Saul and his soldiers were looking for David, Saul went into a cave. David was hiding in the cave, but Saul did not see him. David went up very close behind Saul and cut off a piece of his clothing. Later, after Saul left the cave, David shouted to him to look at the cloth he was holding. In this way, Saul knew that David refused to kill him to become king.

Some time later, Saul died in battle, and David became king of Israel. David was a good king, and the people loved him. God blessed him and made him successful. He fought many battles, and God helped him defeat Israel's enemies.

David conquered the city of Jerusalem and made it his capital city, where he lived and ruled. David was king for 40 years. During this time, Israel became powerful and rich.

For about 400 years, the people had worshipped God and offered sacrifices to him at the Tent of Meeting that Moses made. David now wanted to build a big temple where all the Israelites could worship God and offer him sacrifices. But there was a prophet named Nathan. God sent him to tell David this: "You have fought in many wars, so you will not build this temple for me. Your son will build it. But still, I will greatly bless you. One of your descendants will rule as king over my people forever!"

 The only descendant of David who could rule forever was the Messiah. The Messiah was God's Chosen One who would save the people of the world from their sin.

When David heard Nathan's message, he thanked God and praised him. God was honoring him and giving him many blessings.

Of course, David did not know when God would do these things. We know now that the Israelites had to wait a long time before the Messiah came—almost 1,000 years.

David ruled his people justly for many years. He obeyed God faithfully, and God blessed him. However, in his later years, he sinned greatly against God.

One day, David looked out from his palace and saw a beautiful woman bathing. He did not know her, but he found out that her name was Bathsheba. Instead of looking away, David sent someone to bring her to him. He slept with her and sent her back home. A short time later, Bathsheba sent a message to David saying that she was pregnant.

Bathsheba's husband was a man named Uriah. He was one of David's best soldiers. He was away fighting in a war at this time. David called Uriah back from the battle and told him to go and be with his wife.

But Uriah refused to go home while the rest of the soldiers were in battle. So David sent Uriah back to the battle where the enemy was the strongest so that he would be killed. Because of David's orders, Uriah died in battle.

Then David married Bathsheba. Later, she gave birth to David's son. God was very angry about what David had done, so he sent the prophet Nathan to tell David how evil his sin was.

David repented of his sin and God forgave him. For the rest of his life, David followed and obeyed God, even in difficult times.

But David and Bathsheba's first baby boy died. That was how God punished David. Also, some members of his own family turned against him, and David lost much power. But God was faithful and still did what he had promised David he would do for him, even though David disobeyed him.

Later, David and Bathsheba had another son, and they named him Solomon.

# Song—Rivers, Clap Your Hands!

Psalm [96](#) & [98](#)

Sing a new song to the Lord,  
For he does amazing things.  
Let the forests shout for joy.  
Let the earth and heavens sing!

Rivers, clap your hands.  
Mountains, all sing out.  
All together now,  
Let us sing and shout! (x2)

All sea creatures, leap and dance.  
Meadow flowers, praise our king.  
Hills and valleys, jump with joy,  
For our Lord made everything!

## 7A. Read – Enjoying God’s Creation

Many people enjoy hiking, camping, fishing, and spending time outdoors in God’s creation. Whether you’re walking by a meadow or a mountain, a forest or a desert, God is there with you. Your walk through nature can be a walk with God as well. Take this time to talk to God and thank Him for the many blessings you enjoy.

Pay attention to the beauty around you, the sky, plants, and animals. God made nature and it reflects his glory. The Bible also reflects God's glory. Both nature and Scripture show God’s wonderful creativity.

On a hike, you may face problems such as storms, wild animals, falling, or getting lost. But God has the power to help you whether you are hiking, or doing anything else in life. Remember that God promises to always be with you, leading you and caring for you.

Be sure to take time out to rest and relax every week. Taking a break helps you to focus on God’s love, peace, and presence with you.
