The Servant Who Did Not Forgive Matthew 18:21-35

One day, Peter came to Jesus and asked, "Lord, how many times do I have to forgive someone who sins against me? Up to seven times?"

Jesus answered, "I tell you, you must forgive them more than seven times. You must continue to forgive them even if they sin against you seventy-seven times."

By this, Jesus meant that we should always forgive. Then Jesus told this story:

The kingdom of God is like a king who decided to collect the money his servants owed him. One of his servants owed a huge debt worth more than several thousand pounds of silver but he did not have enough money to pay this debt. So the king said, "Sell this man and everything he owns, even his wife and children, to pay his debt."

The servant fell on his knees before the king and begged, "Please be patient with me. I will pay the full amount that I owe you."

The king felt sorry for the servant, so he forgave all his debt. He let the servant go free and told him he did not have to pay.

But when the servant left the king, he found another servant who owed him a hundred silver coins. The servant grabbed him around the neck and said, "Pay me the money you owe me!"

The other servant fell on his knees and begged him, "Please be patient with me. I will pay the full amount that I owe you." But the first servant refused. He told the judge that the other servant owed him money and had him put in prison.

Some other servants saw what had happened and were very upset. They felt sorry for the man in prison. So they went to the king and told him everything that had happened.

The king called the servant and said, "You evil servant. You begged me to forgive your debt and I let you go without paying anything! You should have done the same. You should have given that other man who serves with you the same mercy and forgiveness I gave you."

The king was so angry that he threw the evil servant into prison to be punished until he could pay back all of his debt.

After he told this story, Jesus said, "This is what my heavenly Father will do to every one of you if you do not forgive your brother from your heart. You must forgive your brother or sister with all your heart or my heavenly father will not forgive you."

7A. Healthy Eating - Read and answer the questions.

Good food is delicious, satisfying, and gives us energy. But did you know that some food choices nourish us better than others? Let's dive into the exciting world of healthy eating!

Healthy food, like fresh fruits and vegetables, keeps our bodies strong and working properly. Fruits are the parts of a plant that contain seeds, such as lemons and apples. Vegetables are the other parts of a plant such as the roots, leaves, or stems. We can enjoy them raw, roasted, or cooked in soups.

Now, junk food such as chips, pizza, and packaged cookies might taste good but are full of grease. These processed sugary treats and salty snacks can be sneaky. They give a quick energy boost, but lack the vitamins and minerals our bodies need.

7A. Healthy Eating - Read and answer the questions.

So, what delicious options do we have? Water, refreshing and good for our skin, is a great substitute for soda. For dessert, try fruit or yogurt with honey – sweet and nourishing! Choose protein from beans or fish instead of beef or pork – they're delicious and contain less fat.

Healthy eating doesn't have to be boring. Try new fruits and vegetables, experiment with recipes, and learn to cook. It's a fun, delicious way to share good food with the people you love! Remember, healthy choices taste great and can make us feel good.

7B. Answer the questions.

1. Why is it important to eat healthy food?
2. What is junk food?
3. What do we call the part of a plant with seeds?
4. What kinds of protein do you like?
5. What do you like to cook?
6. What are your favorite vegetables?
7. Do you eat mostly healthy food? Why or why not?

8. Write a restaurant recommendation.

Write an email to a friend recommending a good place to eat. Describe the food, and suggest a time to meet.

9. Now I Can...

- I can talk about food and order from a menu.
- I can use new words including: _____
_____ and _____
- I can use simple past tense irregular verbs.
- I can apologize and offer forgiveness.
- I can understand that we should forgive others because God forgives us.
