God's Covenant with Abraham.

built a city, instead of traveling over the earth as

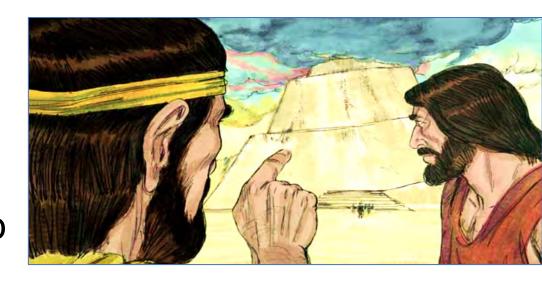

Genesis 11-15

God commanded.

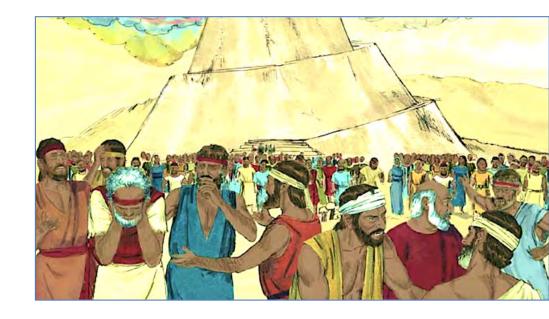

Many years after the flood, there were again many people in the world. They still sinned against God and each other. Because they all spoke the same language, they worked together and

They did not want to obey how God said they should live. They even began building a tall tower to reach the sky. God saw that, if they all kept working together, they could do many more bad things.

So God changed their language into many different languages and scattered them all over the world. Their city was called Babel, which means "confused," because God confused their language.

Many years later, God spoke to a man named Abram. God told him, "Leave your country and family and go to the land I will show you. I will bless you and make you a great nation. I will make your name great. I will bless those who bless you and curse those who curse you. All families on earth will be blessed because of you."

So Abram obeyed God. He took his wife, Sarai, and everything he had and went to the land God showed him, the land of Canaan.

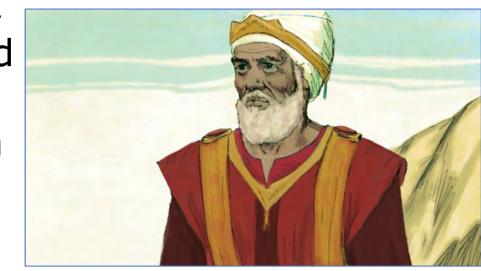

When Abram arrived in Canaan, God said, "Look all around you. I will give to you all this land, and your children will always have it." Then Abram started living in the land.

There was a man named Melchizedek who was a priest of God Most High. One day, after Abram had been in a battle, he and Abram met. Melchizedek said to Abram, "May God Most High help Abram." Then Abram gave Melchizedek a tenth of everything he had won in the battle.

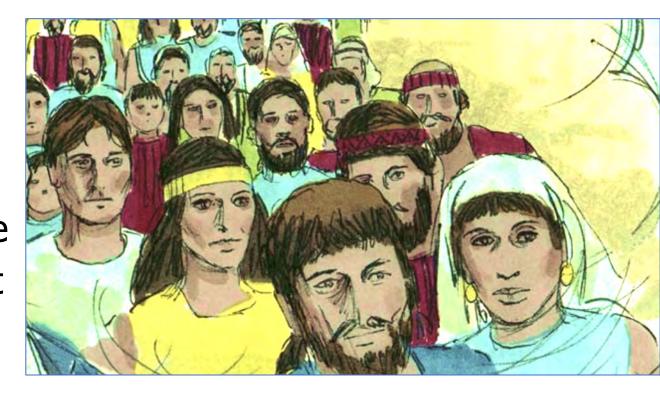

After many years, Abram and Sarai were old and still did not have a son. God spoke to Abram and promised again that he would have a son and as many children as the stars in the sky. Abram believed God's promise.

God was happy with Abram because he believed in God's promise.

Then God made a covenant with

Abram. Usually, a covenant is an agreement between two parties to do things for each other. But in this case, God made a promise to Abram while Abram was in a deep sleep, but he could still hear God. God said, "I will give the land of Canaan to your children."

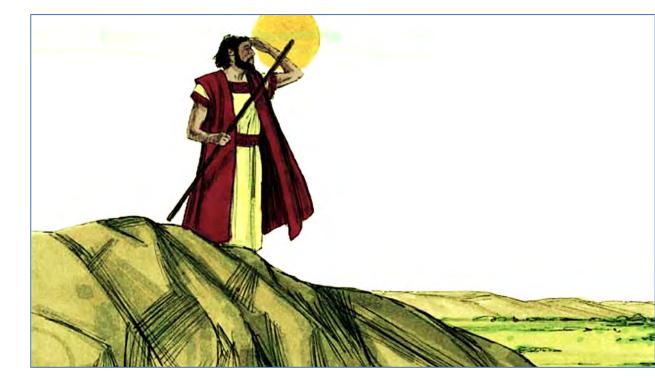

But Abram still did not have a son.

Answer the questions.

- 1. How did God make the people stop building the tower?
- 2. Who was Melchizedek?
- 3. Why was it bad for the people to build a tower?
- 4. Why was it hardfor Abram to believe that he would have many children?5. Do you believe God'spromises? Why or why not?

□ Read the next lesson's Bible passage: Genesis 16-22 in your language.

7A. Read about taxis around the world.

Whether you call it a taxi, a cab, an Uber, or a tuk-tuk, these hired rides are a common way to travel in many places. In London, the taxis are black, in New York they are yellow, and in many parts of Asia they have only three tires! In Chicago, they even have water taxis that carry passengers through the city on the river.

Today, mobile apps make it easy to find a taxi and to pay without cash. Taxis are more expensive to ride than buses or subways. But many

passengers find it's easier and more comfortable to take a cab.

Many taxi drivers in the USA are immigrants. It can be a difficult and dangerous job, but it's also a good way to learn English. For drivers and passengers around the world, taxis are an interesting way to travel and meet people.
